THE 1-LINE OUTBOUND HOOK ARCHITECTURE

"We help [Target ICP Vertical & Scale] who are experiencing [Urgent Trigger Event] solve [Acute Pain Point] through [Core Delivery Mechanism] so they can achieve [Quantified Desirable Outcome] without [Common Frustration / Risk]."

Draft your 1-line hook below:

THE 8-POINT OUTBOUND TARGETING MATRIX

DIMENSION	CRITERIA & STRATEGIC PROMPT	YOUR AGENCY'S DEFINED SPECIFICATION
1. Target Niche & Vertical	Exact industry sub-segment, company size (e.g. 15-50 FTEs), and business model.	Industry: _____ Size: _____ Rev / ARR: _____
2. Primary Economic Buyer	Cheque-signer title (CEO, CMO, VP Sales, Head of Growth) and primary KPI responsibility.	Title: _____ KPI Held Accountable For: _____
3. Urgent Trigger Event	What external change means "open the inbox now"? (e.g. fresh funding, new VP hire, rebrand).	Trigger: _____ Where Spotted: _____
4. Urgent \$100K+ Pain	What acute bottleneck is currently costing them cash, pipeline, or sleep today?	Pain: _____ Financial / Operational Cost: _____
5. Hard Disqualification Rule	Zero-tolerance red flag that immediately eliminates an account from cold outreach lists.	Walk away if: _____ _____
6. Pattern-Interrupt Offer	What free asset, teardown, or diagnostic can you deliver on a 15-min call to start conversation?	Low-Friction Hook: _____ Asset: [] Teardown [] Audit [] Benchmark Data
7. Primary Proof Metric	Specific case study or benchmark number (e.g., +14 demos in 30 days for similar client).	Proof: _____ Timeframe: _____ Outcome: _____
8. Risk-Reversal Hook	Performance guarantee or low-risk entry threshold to eliminate perceived friction.	Guarantee: _____ e.g. 5+ qualified demos booked or 100% money back

PART I: FIRMOGRAPHICS & ECONOMIC BUYER PERSONA

A tight box beats a wide net. Start with strict company criteria before targeting specific people.

1. STRICT ACCOUNT FIRMOGRAPHICS (The 6 Filters)

1.1 Industry Sub-Vertical * Be painfully specific. 'B2B SaaS DevTools' beats 'Software'. 'Shopify Plus Fashion Brands' beats 'E-commerce'.	Primary: _____ Adjacent/Sub-niche: _____
1.2 Employee Headcount Band Sweet spot range. Under 10 lacks budget; 250+ creates bureaucratic review loops.	Ideal: _____ to _____ employees Hard Floor: _____ employees Hard Ceiling: _____
1.3 Annual Revenue / ARR Benchmark Estimated revenue stage where your retainer is <2% of gross monthly sales.	Minimum: \$ _____ ARR Ideal: \$ _____ to \$ _____ ARR
1.4 Capitalization & Funding Stage How is the business financed? This defines cash urgency and executive risk tolerance.	☐ Bootstrapped & Profitable ☐ Pre-Seed / Seed ☐ Series A / Series B ☐ Private Equity Owned
1.5 Geographic Boundaries Target countries and timezones where you deliver best results without friction.	☐ US Only ☐ US & Canada ☐ UK & Western Europe ☐ Australia / NZ ☐ English-Speaking Global
1.6 Installed Tech Stack / Signals Software tools, CMS, or platforms they MUST use for your service to work seamlessly.	Requires: _____ Disqualifying Tech: _____

2. ECONOMIC BUYER PERSONA & DECISION DYNAMICS

2.1 Primary Economic Buyer (Cheque-Signer) Who has the authority to approve your invoice on their corporate card without board approval?	Title: _____ Seniority: ☐ Founder/CEO ☐ CMO ☐ VP Growth ☐ COO
2.2 Internal Champion / User Who will actually collaborate with you daily and feels the operational pain worst?	Title: _____ Reports to: _____
2.3 Primary Success KPI / Goal What single metric gets this executive their bonus or gets them fired by the board?	Core KPI: _____ Target Metric: _____
2.4 Internal Stakes (Cost of Inaction) What happens internally if this problem remains unaddressed for the next 6 months?	Personal Risk: _____ Company Impact: _____
2.5 Top 3 Past Objections / Agency Scars Why did their last agency relationship fail? What skepticism will they bring into call #1?	1. _____ 2. _____ 3. _____

PART II: PAIN TRIGGERS, BEHAVIORAL SIGNALS & DISQUALIFIERS

Pain tells you why they buy. Triggers tell you WHEN. Disqualifiers save you hundreds of wasted hours.

3. ACUTE PAIN POINTS & URGENCY (Rank in Order of Severity)

Rank 1 (Existential Bottleneck) * The acute problem costing them the most revenue or sleep.	Description: _____ Estimated Cost to Business / Quarter: \$ _____
Rank 2 (Operational Friction) What delivery or internal breakdown frustrates the team?	Description: _____ Estimated Cost to Business / Quarter: \$ _____
Rank 3 (Missed Opportunity) What growth channel or initiative is sitting idle?	Description: _____ Estimated Cost to Business / Quarter: \$ _____

4. BUYING TRIGGER EVENTS (Check All That Signal Outbound Timing)

☐ Fresh funding round closed (Seed / Series A in last 90 days)	☐ Organic SEO ranking / primary Google position lost
☐ New CEO, CMO, or VP Growth hired (first 90-day mandate)	☐ Active job postings for internal SDRs or Growth Marketers
☐ Brand relaunch, website migration, or new domain live	☐ Competitor launched major campaign or raised rival capital
☐ New product tier or enterprise offering launched	☐ Acquisition or merger announcement
Where do you spot these triggers first? ☐ LinkedIn Sales Nav ☐ Crunchbase ☐ Job Boards	☐ BuiltWith / Wappalyzer ☐ Slack Communities ☐ Google Alerts Custom Source: _____

5. BEHAVIORAL SIGNALS & WATERING HOLES

Industry Podcasts Listened To:	1. _____ 2. _____ 3. _____
Newsletters Actually Opened:	1. _____ 2. _____ 3. _____
Slack / Discord Communities:	e.g. Pavilion, RevGenius, Superpath, MicroConf, Founder groups: _____
LinkedIn Voices Followed:	Key influencers whose posts they comment on: _____

6. HARD DISQUALIFIERS (Zero-Tolerance Rules -- Walk Away If True)

☐ Headcount < 10 FTEs (insufficient budget for retainers)	☐ Pre-revenue or still searching for product-market fit
☐ Full in-house team of 3+ that views agencies as rivals	☐ Average contract value < \$2,000 (cannot achieve positive ROI)
☐ Non-English speaking market or strict sovereign barriers	☐ Expects guaranteed closing without handling demo follow-ups
Custom Disqualification Red Flag #1: _____	Custom Disqualification Red Flag #2: _____

PART III: THE TOP 5 DREAM ACCOUNTS & OUTBOUND EXECUTION

If you cannot name 5 real companies matching this profile right now, your ICP is too abstract.

7. TOP 5 DREAM TARGET ACCOUNTS

#	COMPANY NAME & DOMAIN	DECISION MAKER TITLE	WHY THEY FIT YOUR ICP & CURRENT TRIGGER
1	Name: _____ URL: _____	Title: _____ Name: _____	Fit: _____ Trigger: _____
2	Name: _____ URL: _____	Title: _____ Name: _____	Fit: _____ Trigger: _____
3	Name: _____ URL: _____	Title: _____ Name: _____	Fit: _____ Trigger: _____
4	Name: _____ URL: _____	Title: _____ Name: _____	Fit: _____ Trigger: _____
5	Name: _____ URL: _____	Title: _____ Name: _____	Fit: _____ Trigger: _____
